Complete and save this form, then email along with the attached program photo to Outtakes at Outtakes@compass-usa.com. (see "Where to Send Submissions" in the Star Action Items & Forms Menu).

Give a detailed description below of the new program(s) from "What's in store" that you have implemented along with their performance at your location. An attached image showing the new program is also required.

We decided to implement the Cuban Sandwich into our meal exchange program at Outtakes. We visited My Compass and clicked on What's In Store and downloaded the recipe and POS. Assistant Director of Dining Services Olivia Mendez and Chef Chris Fogerty worked together to train the front and back of the house associates on the new program.

The Cuban Sandwich has been a big hit with students, faculty, and Staff. We are serving 375 meal transfers per day in our Outtakes location. The following is a faculty testimonial:

Chris:

I wanted to let you know that I picked up a sandwich at Outtakes yesterday, and the lady who served me was as friendly and polite as one could hope for—just a delight. Also, the cookies for the Accounting and Business Club meeting on Tuesday were excellent and went over very well. Keep up the great work!

Timothy A. Ogden

Professor and Chair,

Department of Accounting and Business
